### **Carmel Begins National Roundabouts Week with Construction of its 128<sup>th</sup> Roundabout *Work to Begin Monday at 96<sup>th</sup> & Delegates Row***

**CARMEL, IN** – Beginning on or after Monday, September 16<sup>th</sup>, roundabout construction will begin at 96<sup>th</sup> Street and Delegates Row. The construction is anticipated to last 75 days weather and utilities permitting. This roundabout will be constructed half at a time maintaining east west connectivity through the project. The north half of 96<sup>th</sup> will maintain traffic for the first half of the project while the south half of the intersection is constructed until the switch occurs roughly 35 days later. This is to be the 128<sup>th</sup> roundabout constructed in the city of Carmel.

Traffic needing access to or from the Precedent Office Park, which would have used Delegates Row, will be detoured to the Priority Way roundabout intersection.
