TRAFFIC ADVISORY

Date: June 21, 2017
Contact: Nancy Heck (317) 571-2474
Release: Immediate

City of Carmel traffic updates for the week of June 19

CARMEL, IN – Here are this week’s traffic updates. For complete details, go to www.CarmelLink.com

CARMEL DRIVE AND GUILFORD ROAD: On or after July 5, construction will begin on a new roundabout here. This will be a full closure of the intersection for about 45 days, weather and utility delays permitting. Detour routes will be marked as Pennsylvania and Range Line Road (north-south); Main Street and 116th Street (east-west).

LANDSCAPING PROJECTS: An important part of roundabout design is the creation of a visual barrier that helps drivers identify an upcoming roundabout as well as providing visual clues that improve depth perception and assessment of speed. Landscaping is an efficient and effective way to improve driver safety and provide an aesthetically pleasing improvement to our community. The following projects are now underway. They do NOT include any long-term lane restrictions or impacts on commuter travel.

ROUNDBOUT LANDSCAPING PROJECTS

116th Street & Keystone Parkway
116th Street & Hazel Dell Parkway
126th Street & Keystone Parkway
126th Street & Hazel Dell Parkway
136th Street & Keystone Parkway
Main Street & Hazel Dell Parkway
106th Street & Keystone Parkway
Carmel Drive & Keystone Parkway

CarmelLink 2.0 Update

CARMEL LINK 2.0 is a concentrated infrastructure improvement program that will result in the completion of new roundabout intersections along Gray Road, 96th Street, Range Line Road, 116th Street, Guilford Road, Pennsylvania Street, Spring Mill Road, Towne Road, Keystone Parkway with a new interchange at 96th Street, storm water management and drainage improvement projects throughout the City of Carmel. It will also include the upgrade of a large section of Range Line Road and other miscellaneous improvements over the next three-years.
