Road Updates

CARMEL, IN – Please see below for some road construction and temporary closure notices.

Monon Greenway – temporary closure tonight

Today, July 25, 2017, the Monon Greenway will need to be closed overnight, from approximately 7 p.m. to 7 a.m., between City Center Drive and 2nd Street SW to excavate and make a utility connection. Work is anticipated to be wrapped up early in the morning on Wednesday, July 26th. Trail users should use Range Line Road as a detour.

4th Street South & Range Line Road- on or after August 7th

Beginning on or after August 7th, the intersection of 4th Street South & Range Line Road will close for 30 days to construct a new roundabout. In addition, the Arts and Design Arch at that location will be relocated just to the north to make room for the new single lane roundabout that will also provide new access and a main entryway for Carmel Midtown.

Towne Road – just south of 106th Street – August 14th

Towne Road will be closed for a few days on or after August 14th just south of 106th Street for the connection of a sewer line across Towne Road.
