TRAFFIC ADVISORY

Date: September 7, 2018
Contact: Nancy Heck (317) 571-2474
Release: Immediate

CARMEL, IN – One roundabout will be opening, another will be closing as road improvements continue in Carmel. Motorists please take note of the following:

City Center Drive & 3rd Ave

This roundabout has been open on a limited basis for traffic but a final closure will take place beginning on or after September 10 for about five days, weather permitting, to allow for final surfacing, and lane markings. Pay attention to signage and please drive slow whenever you are in a construction zone.

Main Street & Gray Road

The City opened the roundabout on the first day of school and it has remained open on a limited basis. Now, in order to complete asphalt work and lane markings in the roadway, the roundabout will be closed again for completion and to provide safe space for contractors. This roundabout is expected to close on or after September 17 for about 10 days, weather permitting.
